

**The Heart of the Matter:
Why Do I Need Corrected Vision?
March 26**

1 Why do you think that Jesus' most common miracle was the restoration of sight?

2 Can you name the "blind spots" of the various characters in the John 9 story: Jesus' disciples, the neighbors, the parents, the Pharisees, and the blind man himself?

3 Can you find words to describe your own blind spot(s)? Who in your life could help you with this?

4 Can you honestly say about yourself, "I'm blind"?

5 What are the benefits of identifying yourself as blind?

6 What are you looking forward to seeing that you are currently unable to see?
