- What does the idea of “Marching orders” mean to you...What do think of the idea of Jesus final words to his disciples being marching orders for the church?

- What are the implications of the Gospel going from Jerusalem to Judea to Samaria to the ends of the earth?

- Was there a particular speaker or presentation that connected with you this morning? What moved you?

- In terms of your own service to Christ, are you more of a Jerusalem, Judea, Samaria or Ends-of-the-Earth kind of person? Is Jesus asking you to stretch or move out of your comfort zone in any way?

- React to the song that tied this worship service together.
