

Special Needs Coordinator: Laura Horner will begin June 1 as ECRC's part-time special needs coordinator. We are excited about her passion and heart for this ministry. Laura currently volunteers in children's worship, Little Lambs, and the middle school youth group so many of you and our children may already know her. She will be around observing some of our kids and making plans for them starting June 1. Laura has a degree in Christian Counseling and most recently worked at Timothy Christian School setting up and running the sensory room, aiding in the classroom, and as an assistant to the school counselor. Welcome Laura!
