

Parents,

We are very excited to tell you that we will be dedicating the first Sunday of each month to family services. On these mornings there will be no optional children's singing at the start of the services. We will all start together in the Worship Center for a time of praise and worship as an entire church family. Fifteen minutes into the service, preschooler and kindergarteners will have the option of going downstairs to children's worship. There will be no children's worship for 1st-5th graders on these mornings.

This change comes out of our desire to have times of intergenerational worship. We want our kids to be connected to the larger body of Christ and to know that they are an important part of our church family. Each service will end with communion. Children are invited to participate in communion or observe.

The fall semester dates for these services are: September 3, October 1, November 5, and December 3. We will be working on ways to get children more involved in these services. If you have any ideas, I would love to hear them.

Have a wonderful day!
