

Why and How Should I Read the Bible?

1. Is the Bible relevant to you at all? Do you feel like it has something to say about your life?
2. What bothers you about the Bible?
3. What frustrates you about the Bible?
4. What is your biggest question about the Bible?
5. What do you believe about the kind of book the Bible is?
6. Has God ever communicated to you through the Bible?
7. Did any of the advice they gave about reading the Bible seem helpful to you?
8. Do you think the Lord might be trying to speak to you through the Bible and if so, will you let him? (this is Nicky Gumbel's final question he leaves us with at the end of the video)
9. Do you have a story about an experience with the Bible?
