Join us for a round table conversation about the message at 11:15 in Garden Room

CAR QUESTION: What do you especially love about your native country? What failings or weaknesses are most noticeable to you right now?

KEY VERSE: If they had been thinking of the country they had left, they would have had opportunity to return. Instead, they were longing for a better country—a heavenly one. Therefore God is not ashamed to be called their God, for he has prepared a city for them.
— Hebrews 11:15-16
