

Maximum Velocity Middle School Ministry

At Maximum Velocity we help middle school students discover who they are in Christ and dive deeper into a relationship with Christ through reading his word and hearing him speak.

Meetings include worship, a message, small groups, games, and more! We also host a winter retreat, service projects, and other fun events throughout the year.

When: most Sundays during the school year
5:00 - 6:30 pm in the Youth Room.

Storytime Sundays

Middle and High school will meet together and we will host an ECRC member to share his or her story to challenge and encourage our students. We will share a meal together, spend time in worship, and students will have the chance to interact with and ask the speaker questions after his or her story.

When: 5:30-6:45pm in the Garden Room.

The Edge Small Groups

The Edge will meet as small groups on six Sundays between October and April. Small groups meet to gather around the Word together to grow closer to each other and to Jesus. Small groups are encouraged to spend time doing a fun activity together, share a meal together, and spend time reading and discussing the Biblical text for the week.

When: October - April

The Edge High School Ministry

At The Edge we invite high school students to foster a maturing faith such that they are experiencing the presence and power of Jesus through reading his word, and are growing in the desire to know him more deeply and to do his will.

The Edge large group gatherings include musical worship, time to connect in large and small group environments, and a message. On six Sundays throughout the year, small groups will meet on their own to grow closer to Jesus together and have fun.

Events include a winter retreat, mission and adventure trips, service opportunities, and various fun events.

When: most Sundays during the school year
7:00 - 8:30 pm in the Youth Room.

Youth Group at Home

This Fall we'll be inviting you to try Youth Group at home! We will provide you resources and a couple of options to do youth group together as a family at home. Our goal is to give you an evening together as a family to enjoy some fun activities and to engage with the Word and what we've been working through in youth group.

When: October 23

WinterXtreme

One of our favorite winter activities! We will head up to camp Timber-Lee with our Middle schoolers (Feb 10-12) and High schoolers (Feb 24-26) to experience an awesome weekend at camp! We will enjoy numerous activities such as tobogganing, ziplining, tubing, broomball, and more. We'll enjoy a speaker and dynamic worship based around the theme this year: Build! We hope you join us for this adventure filled winter weekend. Watch for sign-ups!
