SEPTEMBER

Oliver Hersey — Jesus and the Outsiders

Sep 20 & 27

Explore how Jesus crossed ethnic, religious, and cultural boundaries to bring the good news of God's Kingdom to those often considered "outsiders." Through His encounters with Gentiles and Samaritans, we'll see how God's redemptive plan extends beyond Israel while remaining rooted in Israel's story.

OCTOBER

Kyle Groters — The Trinity

Oct 4, 11, 18 & 25

Do we know who we worship? The Trinity is at the heart of our faith, yet we often overlook the wonder of who our triune God is—and what He is for us. Join us as we explore the Trinity and deepen our understanding of the God we worship.

NOVEMBER

Oliver Hersey — The Life of David

Nov 1, 8, 15, 22 & 29

Journey through David's life—from overlooked shepherd to Israel's greatest king—through triumph, suffering, failure, and hope. Each week explores a pivotal moment, draws lessons for faithful living, and ends with a Psalm of thanksgiving, revealing how David cultivated gratitude even in hardship and uncertainty.
