### **2. Play the Telephone Game**

Have you played this before? Mary Magdalene was the first to witness Jesus' resurrection and she went and told the others. That message was a pretty important one, don't you think?! For the Telephone Game, gather a few family members or friends to play with you and sit in a circle. One person should start with a message that they want to tell the others. (ex. I am hungry, is it time for dinner soon? Or I want to jump on the trampoline. Would you like to play outside with me?) Whisper your message to the person next to you (only whisper it once!). Then they'll whisper whatever they heard to the next person. This message makes its way around your circle and the last person says it out loud. See if it is the same as the original message! You can play it several times with a new person getting to start the message each time.
